	Abraham																									
Number and Place Value																										
1NPV–1 Count within 100, forwards and backwards, starting with any number.																										
1NPV–2 Reason about the location of numbers to 20 within the linear number system, including comparing using < > and =.																										
Number Facts																										
1NF–1 Develop fluency in addition and subtraction facts within 10.																										
1NF–2 Count forwards and backwards in multiples of 2, 5 and 10, up to 10 multiples, beginning with any multiple, and count forwards and backwards through the odd numbers.																										
Addition and Subtraction																										
1AS–1 Compose numbers to 10 from 2 parts, and partition numbers to 10 into parts, including recognising odd and even numbers.																										
1AS–2 Read, write and interpret equations containing addition (+), subtraction (–) and equals (=) symbols, and relate additive expressions and equations to real-life contexts.																										
Geometry																										
1G–1 Recognise common 2D and 3D shapes presented in different orientations, and know that rectangles, triangles, cuboids and pyramids are not always similar to one another.																										
1G–2 Compose 2D and 3D shapes from smaller shapes to match an example, including manipulating shapes to place them in particular orientations.
