

Summer 2019 Priory Rise School Results

Foundation Stage

At the end of the Foundation Stage children are assessed against each of the 17 Early Learning Goals (ELG). Children are assessed as either emerging, expected or exceeding in each of the ELGs and are considered to have reached a 'Good Level of Development' if they have achieved at least the expected level in:

- the prime areas of learning - personal, social and emotional development; physical development; and communication and language and;
- the specific areas of mathematics and literacy.

At Priory Rise in the summer of 2019 85% of children achieved a Good Level of Development. The national figure for 2019 was 72%.

As you can see, this represents achievements at Priory Rise to be well above current national data.

Key Stage 1 Results, Phonics and End of Key Stage Assessments

Children in Year 1 take a phonics screening check which checks how well children are able to read the sounds that letters and groups of letters make. In 2019 93% of children achieved the expected standards in the phonics screening test; the national figure for 2018 was 82%. Any children that do not achieve the expected standard in Year 1 re-take this assessment in Year 2. By the end of Year 2 in 2018 100% of children had achieved the expected standard compared to 92% nationally.

The table below shows Priory Rise results from the end of Key Stage 1 assessments taken in 2019 and the national figures for 2018.

		Priory Rise School 2019 Key Stage 1 Assessment Results	National 2018 Assessment Results
Reading	Working at or above expectation	88%	75%
	Working at greater depth	35%	26%
Writing	Working at or above expectation	82%	70%
	Working at greater depth	34%	16%
Maths	Working at or above expectation	84%	76%
	Working at greater depth	33%	22%

Key Stage 2 Results

When interpreting the results you may wish to note the following:

- Children receive a scaled score in each of reading, grammar/punctuation/spelling and maths – the range of this score is 80 to 120 and 100 is the expected standard. The threshold set for children considered to have achieved a high score is 110.
- The progress measure is a value-added measure in which children's results are compared to the actual achievements of other pupils nationally with similar prior attainment.
- A progress score of 0 means children, on average, do about as well at KS2 as those with similar prior attainment nationally. A positive progress score means children, on average do better at KS2 than those with similar prior attainment nationally. A negative progress score, on average, means children do less well at KS2 than those with similar prior attainment nationally. A negative score does not mean that children did not make any progress – it means that they made less progress than other children nationally who had similar starting points.

The table below shows provisional Priory Rise results from the end of Key Stage 2 assessments taken in 2019 and the national figures for 2018.

		Priory Rise School 2019 Key Stage 2 Assessment Results	National 2019 Assessment Results
Reading	Working at or above expectation	83%	73%
	Working at a higher level	43%	27%
	Average progress	-0.2	0
	Average 'scaled score'	108	104
Writing	Working at or above expectation	87%	78%
	Working at a higher level	37%	20%
	Average progress	-0.1	0
Maths	Working at or above expectation	94%	79%
	Working at a higher level	44%	27%
	Average progress	0.9	0
	Average 'scaled score'	108	105

Spelling, Punctuation & Grammar	Working at or above expectation	93%	78%
	Working at a higher level	63%	36%
	Average 'scaled score'	111	106
Reading, writing and maths combined	Working at or above expectation	79%	65%
	Working at a higher level	25%	11%

Average 'scaled scores' are not available for Year 6 Writing as writing outcomes were by teacher assessment and not test.
