

LOCAL VISITS PERMISSION FORM

Child's Name: _____ Class: _____

I give permission for my child to take part in visits to the local area such as the Parks Trust Visits. I understand that I will be informed in advance of any such visits and that these visits do not involve any form of organised transport such as a coach journey. For all of these journeys my child will be accompanied by members of staff and the visits will be in easy walking distance of the school.
